## **Construction begins July 18 on the westbound lane of I-94 at the Maple River Bridge near Casselton**

A construction project will begin Monday, July 18, on the westbound lane of I-94 at the Maple River Bridge near Casselton. The project will be about ½ mile long and consist of a deck repair.

### **During Construction**

- A lane closure will be in place through the construction zone
- Speeds will be reduced 65 mph for the project length and to 40 mph through the work zone where workers are present
- A 15 ft. width restriction will be in place
- Flaggers will be onsite directing traffic as needed
- Motorists can expect delays short delays

The project is expected to take a couple of weeks.

Motorists should also be aware of a concrete pavement repair project also beginning Monday, July 18, on the eastbound lane of I-94 between Casselton and Mapleton.
